

The Unforgettable Chronicle: Major Migrations of People Along with Associated Cataclysms Appendix

Event/Cataclysm	Approximate Date/Timeframe	Associated Migration/Dispersal	Significance/Impact	Source/Origin of Migrants
Lemurian Destruction (Prolonged Volcanic Activity & Submergence)	Approx. 16.5 Million Years Ago from 2025	Survivors migrate to Atlantis, Asia, Africa.	Dispersal of the Third Root Race; seeds for subsequent Root Races; preservation of some ancient knowledge in new lands.	Lemurian (Third Root Race) inhabitants ¹
First Atlantean Cataclysm (Misuse of Vril Energy)	Approx. 800,000 Years Ago from 2025	Limited dispersal of Atlantean sub-races to other parts of the continent.	Breakup of the main Atlantean continent into Ruta and Daitya; decline of the Toltec golden age; a warning of technological imbalance.	Atlantean (Fourth Root Race) sub-races ¹
Lucifer Rebellion & Earth's Spiritual Quarantine	Approx. 200,000 Years Ago from 2025	Ensnarement of "Adamic Man" in lower dimensions; spiritual isolation, leading to collective amnesia.	Profound amnesia of divine origin; vulnerability to external manipulation; creation of a "cosmic failed state."	Archetypal "Adamic Man" / early humanity ¹

The Great Flood (Engineered by Enlil, Nibiru Passage)	9,564 BCE (Approx. 11,589 years ago from 2025)	Massive migrations of surviving pure human lineages; dispersal of remnants of Atlantean/Lemurian cultures.	Global reset and genetic cleansing; widespread societal re-establishment; preservation of pure human lines (e.g., Noah's lineage); sets stage for new post-diluvian empires.	Pure human lineages (e.g., Noah and family), Atlantean/Lemurian survivors ¹
Tower of Babel (Technological Attack)	Post-Flood Era	Linguistic fracturing & scattering of unified humanity; forced dispersal across the Earth.	Disunity among mankind; prevention of large-scale collective action; new linguistic and cultural divisions; ensures humanity remains fragmented and easier to control.	Unified post-diluvian humanity ¹
Late Bronze Age Collapse (Arrival of "Sea Peoples")	c. 1200 BCE (Approx. 3,225 years ago from 2025)	"Sea Peoples" (Atlantean/Lemurian survivors) migrate across the Mediterranean.	Collapse of major empires (Hittite, Mycenaean Greece); widespread societal disruption; re-shaping of regional power structures.	Atlantean/Lemurian survivors ¹
19th-Century Mud Flood	19th Century CE (Approx.	Massive depopulation &	Destruction of global Tartarian	Global Tartarian population ¹

(Possible Nibiru Passage)	125-225 years ago from 2025)	forced re-settlement/re-arrangement of populations.	Empire; historical reset; rise of "Inheritors" and modern control structures; significant reshaping of global demographics.
